### Joseph F. Eckroth, Jr.

Senior Vice President and  
Chief Information Officer

Joe Eckroth joined TE Connectivity in 2013 and serves as Senior Vice President and Chief Information Officer. In this role, he is responsible for leading the TE Information Systems (TEIS) team, setting the enterprise-wide Information Systems strategic direction, and ensuring TEIS implements key information systems initiatives that support TE's goals.

Prior to joining TE, Joe was with Hertz Holdings and Hertz since 2007, and most recently held the position of Executive Vice President, Global Customer Care and Chief Information Officer. In this role, he also provided oversight to the Corporate Project Management Office, Revenue Management function and Navigations Solutions business, which is the exclusive provider of the Hertz Neverlost units and related services.

Prior to joining Hertz Holdings and Hertz, Joe served as Executive Vice President and Chief Operating Officer of New Century Financial Corporation. Previously, Joe served as the Chief Information Officer for Mattel, Inc. and two of General Electric's business units, GE Medical Systems and GE Industrial Systems.

From 2003 to 2006, Joe served on the board of directors of VWR International, a global laboratory supply and distribution company, where he also served on the Compensation and Finance Committees. From 2000 to 2006, he also served on the board of directors of the Orangewood Children's Foundation, a non-profit organization dedicated to providing life-changing prevention and intervention programs for abused and neglected children and young adults in Orange County, California.

Joe earned his MBA from Pepperdine University School of Business and Management and his Bachelor's degree from the University of La Verne in La Verne, California.
