T3212 AND T3224 PRINTER LAUNCH

In line with delivering continued improvement, TE Connectivity (TE) is pleased to announce the launch of the T3212 (300dpi) and T3224 (600dpi) Thermal Transfer Printers.

TE's new printers, continue to offer high accuracy and print performance, including the following improvements and additional features:

- WiFi capability

- Large full colour touch screens

- Pre installed "Help Video's" (viewed from the printer touchscreen)

- Product side loading capability

- Ribbon Ink side warning

- Larger memory capacity and increased processor speed (CPU)

The T3212 will replace the TE3112 printer, and the T3224 will replace the TE3124 Printer.
